Tasty Kabob has been a favorite of mine for over two years now, and seems to keep getting better. The owners of this restaurant are very nice, and always love to see their loyal customers. The food is outstanding and fairly inexpensive. If you've never had persian food and want to try something new, this is definitely the place to hit up.

if you are in the mood for some fantastic Persian cuisine, this is the place to go to or even to call in and pick up your food. you get huge portions of food, so i always seem to take alot home with me. i love their appetizer thats just tomatoes/ cucumbers/ walnuts and feta cheese!! and always get warm pita bread to go with your dinner. a great selection grilled kebabs that come with rice or rice and salad
