## “Best Middle Eastern in Arizona”

 Reviewed November 2, 2007

Easily the best Middle Eastern food in AZ. Has a Persian slant. Great food, service, cleanliness and value. I love this place. You need to try it.

This restaurant has great Middle Eastern food. It is family owned and operated. The atmosphere is very peaceful and friendly. Although I love the food at Haji Baba which is nearby, I prefer the ambiance of Tasty Kabob.
