Best Middle Eastern in AZ

Fantastic food with a Persian slant. Best Middle Eastern food in AZ easily. When we went on a Friday night it wasn't very busy - the Pita Jungle 2 doors down was full though. I don't get it because the service, ambience, food and value at Tasty Kabob blow Pita Jungle out of the water. You should try it.

Wow, excellent all around

Food is outstanding. Owners are super friendly and personable. Waiters are always attentive and outgoing. You should not miss this place! Oh and they have delicious home made cheesecake and the best baklava I've ever tasted!

Wonderful place that's hidden in a strip mall on Apache Blvd. Went there for the first time tonight and was served by the owner/operator. Very friendly service, immaculate interior. The food was excellent; I had the fesejan with chicken (chicken in walnut and pomegranate sauce) and my hubby had lamb kabob, which were both plentiful and tasty as befits the restaurant's name. We also had the Persian ice cream and cherry cheesecake (both made from scratch on-site) for dessert and were immensely satisfied. We will definitely go there again and take our friends there!

Best middle eastern food in town

Incredible food, nice hospitality. Not the best in ambience, but world class Persian food. The Kabobs are seasoned better than any place in town, and the hummus is the best in the valley for sure

Tasty it is

This restaurant is definitely the best. The atmosphere is perfect for family or a dinner for two. The chef gets an A+ on presentation. The food is great! I recommend the Hummus to everyone even if you thought you did not like it before. For desert I recommend the Persian ice cream it is fabulous!

I have had the pleasure of dining in this restaurant many many times....we even had my son's wedding rehearsal dinner there. The owners are super nice and always make sure you have everything you need. The food is the best in town - I have been to all the other persian restaurants, and this one is still the best. Try the Chelo Kabob Barg, you won't be sorry!! PROS: Excellent Service! CONS:
